## Tommy Bahama's Waikiki Plans

Popular US brand Tommy Bahama has announced plans to open a new restaurant and retail destination in the heart of Waikiki in the northern autumn.

Located at 298 Beach Walk, the three-level Tommy Bahama Restau-

rant, Bar & Store will be the seventh Tommy Bahama in Hawaii and will feature an expansive first floor retail space, restaurant and bar area on the second floor and third level rooftop bar and lounge with a terrace-style cocktail area. It will stock men's and women's sportswear, swimwear, footwear, accessories, and a selection of home décor items, while the restaurant menu will focus on regional Hawaiian island-inspired cuisine.

### Sweet Hawaiian Music

The Outrigger Reef Waikiki Beach Resort's Sweet Hawaiian Music package celebrates slack-key and song with VIP seating for two at KaniKaPila Grille. Included with the VIP seating is an appetiser platter, one or two Mai Tai or other specialty cocktail—based on room occupancy—and an autographed CD of a KaniKaPila Grille-featured Hawaiian music group. The package starts at AUD275 per night for a garden view hotel room, valid for travel to 21 Dec. Package can be upgraded to more premium room types. To be in to win agents have to send a photo of themselves to HA showcasing the airline's logo, and the agent's aloha spirit. Entries close 29 May.
