

Splurge & Save In Hawaii With SPG

SPG Resorts has a number of luxury resort accommodations throughout the islands of Hawaii, each with unique offerings.

However, for those who can't afford to do it all, SPG has created a list of what's worth splurging on, and what's worth saving on. While in Oahu a Moana treatment at Moana Surfrider's oceanfront Moana Lani Spa is the recommended splurge, with treatments featuring the healing waters of 'Apuakehau and Kona-grown algae scrubs. Cli-

ents can then save money with complimentary expert-led historical tours that explore history and Hawaiian lore, available at both the Moana Surfrider and The Royal Hawaiian.

Maui-based clients can treat themselves by staying at a luxurious suite at the Westin Maui, which featured on *The Bachelor*, and then save by eating like the locals at Leoda's Kitchen and Pie Shop, which offers farm-fresh and sustainable dishes and desserts.

Foodies bound for Kauai are recommended to splurge on a romantic Kauai inspired dinner at The St Regis Princeville, and then save by stocking up on fresh produce at the local farmers markets which are held daily around the island.

Finally, Hawaii Island clients can splurge on rich island cuisine from Rays on the Bay at Sheraton Kona, which offers Kona coffee, guava, lemongrass and more. Clients then looking for adventure can save by snorkelling Honaunau Bay's clear waters, while looking out for dolphins, manta rays and yellow fin tang.
